Dear Ms. Boyd,

I would highly recommend Cythnia Bees, LPN, as the Inova VNA representative to the Alexandria Commission on HIV/AIDS. Ms. Bees is a highly skilled and compassionate health care professional. She is committed to providing quality care to all patients. Ms. Bees is skilled in assessing the physical, social, and emotional needs of our patients and their families. She is an enthusiastic and dedicated advocate for patient rights and works to provide each patient the medical care and community resources that are available. Through her experience in home care and long term care, she is exceptionally knowledgeable of the community resources in Alexandria and Fairfax County. Ms. Bees is a highly respected and valuable member of our Home Health care team at Inova VNA Home Health.

Ms. Bees would be an asset to the Alexandria Commission on HIV/AIDS.

Sincerely,

Marie Woodard, BSN, MGA
